- **Host a team fundraising event** such as a garage sale, bake sale, plant sale, karaoke night, or even a pancake supper! Check out a new event below through Our Blood Institute!
- **Offer incentives**, such as a pizza party!
- **Create your own “Walk 4RKids” t-shirt design.** Wear t-shirts that reflect your team’s spirit! You might even sell these to other members and friends to raise even more donations! 4RDesigns a business of 4RKids could make shirts for you.
- **Ask us for help!** 4RKids wants your team to be successful. We are more than happy to offer help and share successful ideas from former teams. Call us at (580) 237-7890 or go to our website www.4rkids.com.

Dear

Walk 4RKids 2024 will be held on October 12th. I'm helping to raise money for 4RKids because they help children and adults in our community who have disabilities. Will you be on my team and make a donation to the walk? I would also like you to come to the walk with me. You'll have a great time playing games, riding rides, enjoying the food, and just being a part of my team!

If you want to learn more about how 4RKids helps children and adults with disabilities, check out their website at www.4rkids.com. I think you'll like what you see!

Thanks for your support and hope to see you at the walk!

4RKids Walk Team Fundraiser

In Partnership with Our Blood Institute (OBI)

4RKids is partnering with Our Blood Institute and Donable® Cares to help stop a summer blood shortage and benefit local hospital patients. Donable® Cares is the nonprofit arm of Donable®, an innovative app that pays its users for recruiting blood donors.

Currently, the blood supply is extremely low. 4RKids is urging donors to give blood, which will save lives while also raising funds for a greater community impact. For every completed blood donation made through the 4RKids link, **a \$15 donation will be made to your 4RKids Walk Team**. Through Donable® Cares, blood donors will be saving lives and supporting those with special needs and their families.

The QR code on the next page can be used for you to share with friends and family to sign up for an appointment to donate blood. This QR code is unique to our 4RKids Walk and where the \$15 donation will be applied. Please use the sign-up sheet provided to write down which persons have donated under your team name, so we can allot each \$15 donation to your specific team. Turn your sign-up sheet in to Brooke Langley at blangley@4rkids.com to earn money towards your team!

The Donable® app is currently available in select cities in Oklahoma, Arkansas, and Texas, with plans to expand later this year. To learn more about Donable® and the Donable® Cares program, contact Olivia.walbeck@obi.org or visit <https://www.donable.com/cares>.

ABOUT OUR BLOOD INSTITUTE

We have long been a proud example of The Oklahoma Standard in action. While we were founded in Oklahoma City more than 50 years ago and our headquarters remain here, our reach has extended to all corners of Oklahoma and parts of Arkansas and Texas over time.

Formally called the Oklahoma Blood Institute, we are excited to announce that we are unified under one name and thrilled to call ourselves Our Blood Institute. This evolution allows us to join together all parts of our organization, creating an identity that truly embraces our mission. No matter the location, we provide the donor-to-patient lifeline in our local communities.

Our Blood Institute is the sixth-largest independent blood center in the nation, with 17 donor centers in Oklahoma, Arkansas and Texas. OBI is the nonprofit blood provider for patients at more than 240 hospitals, medical facilities, and air ambulances across all three states.
